CDL's Annual Insurance Coverage Symposium is the foremost educational event for insurance executives and claims professionals who specialize in insurance coverage and defence counsel looking to improve their knowledge of insurance coverage. The 2019 edition will once again offer an unparalleled opportunity to network with a distinguished faculty as well as insurance industry leaders, experts, and coverage lawyers on emerging issues, recent court rulings, national trends, and the future of insurance coverage law.

This Year's Topics Include:

1. What do our clients want? – A Panel Discussion
2. Coverage and Exclusions in emerging trends such as social engineering fraud & extra-curricular activities
3. Climate Change: Business Interruption adjusting
4. Construction Defects Claims: overlapping coverages and how to deal with them
5. Brokers' Coverage and Liabilities
6. Coverage in the Era of Legal Weed
7. The Tripartite Relationship and Defence Costs Only Policies
